Dear Harold,

Enclosed is material you requested + which I got from the library. Newspaper clippings are also enclosed.

Could you please let me know how long it takes to walk from the Texas School Book Depository to the Carousel Club. (The walking distance in minutes). Also, how far away did Ruby live from the Tippit killing

I went through Crafod's testimony in Vol. 18, Page 402 + found it quite interesting. Have you read it? If not, I think you might find something in that testimony as I did. He definite lied during said testimony, the reason being unknown, except that he was probably trying to hide something. Crafod's testimony was never really challenged. I will explain later on why I read this particular testimony. I am working on a suspicion that involves Crafod in some way. If Crafod is dead today, my suspicion would be aroused even more. He should be about 32 yrs. old by now.

Regards to Lil + Faye you're both well. Angela says hello.

Sincerely,

Al.
